
Please read this before you start ...

Safety First!

Please take care when following the trail. Take special care near the road. Always walk – don't run! Stay on the pavement and look carefully before crossing the road.

Think of others

Please respect people's privacy. The trail is entirely in public areas. None of the clues require you to trespass on private property. If you need to take a closer look at something do so politely and with discretion.

Timing

No extra points are given for speed so take your time and enjoy the morning. But all entries must be handed in by 12:45pm to qualify for a prize.

The prize giving will be held at the destination at 1:30pm.

A full answer sheet will be published on the Sustainable Crediton website:
www.sustainablecrediton.org.uk/core-group/yearbook/2013/treasure-hunt

If you get lost

... the destination is printed upside down on the bottom of the back sheet.

Keep your eyes open!

As well as the main clues (pages 5-9) there are a number of ways to get bonus points (see pages 2-4). The answers to these questions may be found along various parts of the trail – ***not necessarily in the order in which they appear on the pages!***

Good luck!
