Crediton Pig Club

The Crediton Pig Club aims to support native pig breeds and to ensure excellent welfare with local smallholders. It costs £15 to become a member of the Pig Club for a year. Members can sign up for a share in a pig in January, and then pay a monthly sum to cover the costs of raising the pigs. Available in the autumn, a half-share in a pig provides around 20 kg of pork joints, chops, sausage mince and other products for the freezer. Smaller shares may be available based on weight although choice of cuts cannot be guaranteed. We are pleased to work with our local Crediton butchers, at AJ Cox, who process the pork for the Pig Club.

**Crediton Pig Club is
recruiting new members
for pig sharing in 2017.
